

# Construction vs. Cancer

## The Utah Big Dig

September 21<sup>st</sup>, 2019

Sponsorship and  
Underwriting Opportunities

## **THE BIG DIG- DIG FOR GOLD**

The Big Dig gives local Utah children, focusing particularly on those with cancer, the opportunity to attend and operate heavy machinery, including excavators, scissor lifts, and more.

Sponsors and ticketholders will be “hard hats” for the day operating heavy construction equipment in beautiful Utah in a festive fair-like atmosphere. More than 1000 big and little construction “wanna-be’s” are expected to attend the Utah Big Dig for The American Cancer Society.

## **ABOUT THE AMERICAN CANCER SOCIETY**

- The largest voluntary health organization in the United States
- 2.5 million dedicated volunteers
- 47 Nobel Prize winners for cancer research
- More than \$17 million currently invested in childhood cancer research grants
- More than \$4.3 million currently invested in research grants in Utah
- Over 23,000 nights provided to cancer patients at the Hope Lodge in SLC, Utah

## **PEDIATRIC CANCER**

In 2019, an estimated 14,660 new cases of cancer will be diagnosed and 1,850 cancer-related deaths will occur among children aged birth to 19 years.

Cancer is the second leading cause of death in children ages 1-14, exceeded only by accidents. Approximately 1 in 285 children will be diagnosed with cancer before age 20.
